### 2. Burial fees and charges for Crowlas and St Paul’s Cemeteries

#### 2.1 Introduction

Fees, payments and sums fixed and settled by the parish council (Burial Authority for the Parish of Ludgvan) under section 214 of the Local Government Act 1972 and in accordance with the terms of the Local Authorities Cemeteries Order 1977.

Fees effective from 10 December 2020

#### **Levy for non-residents of Ludgvan Parish**

These fees apply when the person to be interred, or in respect of whom the right is granted, is, or immediately before his/her death was an inhabitant of the Ludgvan Parish area. In the case of a still-born child, when the parents (or one of them) are, or at the time of interment were residents of Ludgvan Parish . For non-parishioners, all fees are doubled. Any previous resident of the parish who subsequently resided in a retirement or care home up to a maximum of five years prior to their death will not be subject to the double fee charge.

**Burial fees are doubled for non-residents of the Ludgvan Parish**

Where a coffin or casket is oversize or has some other non-standard characteristic, the parish council reserves the right to charge an additional fee commensurate with any extra costs involved.

The interment fee does not cover the cost of digging the grave. Your funeral director will advise you in relation to these costs. It covers administrative and ongoing maintenance costs in respect of the cemeteries (except in relation to Memorials).

All fees should be made payable to Ludgvan Parish Council and addressed to the clerk. Invoices will be issued and payment instructions included on the invoices. The council's preferred payment method is by direct banking payment/BACS.
